President & Founder: Tracy Lynn Repchuk

*Creating one voice!*

The Canadian Federation of Poets is dedicated to uniting people and organizations around the world in the global promotion of poets and poetry.

We do so by educating youth and adults on the importance of poetry in their lives, and providing an environment and community where all poets and organizations can unite to create one voice.

When you want to take your poetry career to the next level, turn to the experts in the poetry business.

*We invite you to join us!*
